Dear Superintendent:

Section 300.600 of the regulations implementing the *Individuals with Disabilities Education Act* (IDEA) requires states to monitor all school districts for compliance with the law, and its regulations.

When the state identifies noncompliance, the State must provide notification. Your local received a notification of noncompliance on April 15, 2014. This letter serves as your official closeout of the finding of noncompliance for:

**Rule 340.1722(3) Implementation of individualized educational program**

The Office of Special Education (OSE) verified that your local is now at **100%** compliance based on completion of the approved corrective action plan from the April 2014 Continuous Improvement and Monitoring System (CIMS) *Workbook*.

If you have any questions, please contact Jeanne Anderson Tippett, at [AndersonTippettJ@michigan.gov](mailto:AndersonTippettJ@michigan.gov).

Thank you for your timely attention to this urgent matter.

Sincerely,

Jessica Brady, J.D.
