Any City, Michigan 00000-0000

Dear Superintendent:

Section 303.700 of the regulations implementing the Individuals with Disabilities Education Act (IDEA) requires states to monitor for compliance with the law and its regulations and to issue findings. When the State identifies noncompliance, the State must provide notification.

Sample Intermediate School District (ISD) received a notification of noncompliance on April 15, 2014. A finding was issued based on identification of noncompliance related to natural environments through an onsite focused monitoring visit February 19-20, 2014. This letter serves as ISD's official close-out of the finding.

The Office of Great Start/Early Childhood Development and Family Education (OGS/ECD&FE) verified that ISD completed its corrective action plan activities, including the mandated technical assistance provided by the OGS/ECD&FE, and is now at 100 percent compliance based on documentation of completed activities and *Early On* records reviewed during child record reviews completed March 2015.

Thank you for your efforts on behalf of children and families. If you have any questions, please contact Ms. Laura Goldthwait at 517-373-6565 or goldthwaitl@michigan.gov.

Sincerely,

A handwritten signature in cursive script that reads 'Vanessa Winborne'.
