

7 point Rating Scale

Overall Not Age-Appropriate	Not Yet	1	<p>Child does not yet show functioning expected of a child his or her age in any situation.</p> <p>Child's functioning does not yet include immediate foundational skills upon which to build age-appropriate functioning.</p> <p>Child functioning reflects skills that developmentally come before immediate foundational skills.</p> <p>Child's functioning might be described as like that of a much younger child.</p>
Overall Not Age-Appropriate	Between Not Yet and Emerging	2	<p>Child occasionally uses immediate foundation skills across settings and situations. More functioning reflects skills that are not immediate foundational than are immediate foundational.</p>
Overall Not Age-Appropriate	Emerging	3	<p>Child does not yet show functioning expected of a child his/her age in any situation.</p> <p>Child demonstrates behavior and emerging skills upon which to build age-appropriate functioning.</p> <p>Functioning might be described as that of a younger child.</p>
Overall Not Age-Appropriate	Between Emerging and Somewhat	4	<p>Child shows occasional age –appropriate functioning across settings and situations. More functioning is not age-appropriate than age-appropriate.</p>
Overall Not Age-Appropriate	Somewhat	5	<p>Child shows functioning expected of a child his/her age some of the time and or in some situations.</p> <p>Child's behaviors and skills include a mix of age appropriate and below age-appropriate functioning.</p> <p>Functioning might be described as that of a slightly younger child.</p>
Overall Age-Appropriate	Between Somewhat and Completely	6	<p>Child shows functioning expected of a child his/her age most of the time and/or in most situations. Child's behaviors and skills are considered mostly appropriate for his/her age but there are some concerns about the child's functioning in this outcome area.</p>
Overall Age-Appropriate	Completely	7	<p>Child consistently shows functioning expected of a child his/her age in all or nearly all situations. Child's behaviors and skills are considered appropriate for his/ her age. There are no concerns about this child's functioning in this outcome area.</p>
